

A masterful blend of modern technology and classic design

FEATURE	ADVANTAGE	BENEFIT
Classic blade shape	Thin topline and shorter blade-length from heel to toe	Clean and compact look at address
Shallow, undercut cavity	Redistributes weight to the heel and toe pads	Increases stability and promotes solid feel
Tour-configured sole	Designed with input from tour professionals	Optimizes turf interaction for maximum playability
Inverted Cone Technology	Faster ball speed from a larger portion of the face	Consistent distance on off-center hits
Vibration-management cavity badge	Finely tuned sound and feedback	Soft yet solid feel that's extremely satisfying
